Profile

With a background in **Information Studies** and **Web Development** I have gained good technical and analytical skills, as well as a good understanding of user computer interaction.

I am ambitious, determined and a team player. I can deliver great suggestions and new ideas for projects. I have a natural interest and passion towards web development and UX/UI, which makes me want to learn new things and seek new opportunities.

I take pride and responsibility in the fact, that my tasks are performed correctly and on time. I am a team player but, I can work alone when required.

Key Skills

Frontend Specialized in the latest frontend technologies such as HTML5, CSS3, LESS, Bootstrap, JavaScript ES6+, Angular and React with a focus on responsive design.

UX/UI Practical experience in Usability and User Experience, challenging projects with focus towards prototyping. I believe that user research and testing is very important, not just before the system is designed but also during design and after deployment.

Organizational Team player with an agile mind-set and approach to work in cross functional teams. A drive to collaborate, innovate and learn new things.

Databases Expertise in Relational databases especially MySQL and SQL Server

CMS Advanced expertise in Dynamicweb (Certified), and good knowledge of various content management systems such as WordPress and Joomla.

Personal Characteristics

I see myself as a quality minded, conscious and responsible person. I have a great interest in my profession. I am creative and innovative, which contributes positively to my work and gives me the ability to see new ways to achieve the goals.

Private and Sparetime

I am from India, and married to a Dane. I live in Lystrup with my wife, our son and dog. In the six years I have been here in Denmark, I have integrated myself into to the Danish social and working culture.

I spend my free time with family and friends. I practice meditation, and I love to travel and, experience different places and cultures. I enjoy watching a good cricket match and work on my bonsai plants.

What Other Say About Me

"Aditya kan arbejde selvstændigt men fungerer også godt i et team. Han er faglig dygtig, og bidrager med konstruktive løsninger og gode ideer. Aditya har vist gåpåmod og været en kompetent og ansvarsfuld medarbejder. (…)
Samtidig er han nem og behagelig at omgås, og han har været meget vellidt blandt de andre medarbejdere. Innovisio ApS kan give Aditya de bedste anbefalinger og er overbevidste om, at han vil gøre en god indsats i hvilken stilling, han end besidder." Christian Royal, Partner, Innovisio ApS

"Addy har produceret løsninger, som har dækket alle behov for såvel afsender som modtager i en kvalitet og driftssikkerhed, som har været overordentligt tilfredsstillende. Dedikeret og pligtopfyldende er nøgleord for Addys arbejde (…) Han kan arbejde selvstændigt og evner at tilpasse sig en virksomhedskultur i forandring. Addy har været en god og sikker arbejdskraft for Orkester norden, og jeg medgiver ham min varmest anbefaling." Michael Pilgaard, General Manager, Orkester Norden
